### DEDICATION

We the staff of El Espejo 1982 Vol. #23, dedicate this edition to everyone who said it could not be done. To their doubts and negative attitudes during the period that the book was going through its many trials and tribulations. The Doubters encouraged the hard work and preservance needed to prove the positiveness and successfulness of our class — "82."

We the staff of El Espejo 1982 Vol. #23 have achieved quality within preparation of this yearbook. Also, we feel that, although this edition is not the same proportion of earlier editions, its quality far exceeds any yearbook in El Espejo's history.

In addition, the staff of El Espejo 1982 Vol. #23, made one of our goals the attainment of equal representation among all students.

In conclusion, we the staff of the El Espejo 1982 Vol. #23, thank everyone who supported us, for without you it could not have been done.

Again Thanks,  
Yearbook Staff "1982"

# FAULTS

Throughout his six years at Dominguez, Mr. Easter has earned the respect and admiration of all around him. He is the man behind the scenes, although his presence is felt by all. He can sometimes be seen strolling through the halls surveying the campus. His guidance and leadership has made a difference in the lives of many students. It is today's success that is the result of his leadership.

Our Principal, Fred Easter

# EDITOR AND CHIEF

## EDITOR'S MESSAGE

Our campus is a place of many colors. Colors of people in personality, and in attitudes. As editor In-Chief-Of El Espejo 1981-1982, I attempted to capture the spectrum of colors that beamed positive thoughts throughout our very special school year. In doing so, it took hard work and dedication which are the ingredients that deemed worth. I hope El Espejo (the mirror) reflects beautiful images of the colorfulness of our student body.

Farewell,  
Julia Williams

Terrell Carter ("Terry" to his friends) is an outstanding basketball player for Domínguez Senior High School. Carter has played varsity for three years, so he's got to be good! He is 17 years old, six-feet-one inch tall and is 185 pounds of dynamite. Carter plans to be a pro basketball player in the future or to quote him, "A wealthy business man." He says he loves basketball, baseball, and especially — ladies.

Good Luck Terry, and thanks for making our team the best!
